

Business Process Procedures

6.20 VIEW TUITION CALC MESSAGES

Overview This document details how to review error/warning messages after the batch tuition calculation process has completed.

Key Points This page displays those students with tuition calc errors and warnings for the batch processed.

Navigation [Student Financials > Tuition and Fees > Calculate Batch Tuition > View Fee Calculation Messages](#)

Step 1 Navigate to the Fees Calc Messages (Batch) page. The following dialog box appears.

Fee Calc Messages (Batch)
 Enter any information you have and click Search. Leave fields blank for a list of all values.

Find an Existing Value
